# STEP-BY-STEP

## BUTTER SCRUB SCENTUAL HAND & ARM EXFOLIATION AND MASSAGE

SERVICE TIME: Between 5 - 15 minutes.

This service can be used as an additional service during a hair color treatment or an add-on service to a spa manicure.

### Step-by-Step

1. Sanitize your hands and the guest's hands with Cuccio Pro Antibacterial Cleansing Spray.
2. Take an ample amount of Butter Scrub Blend and place on your hand, rub your hands together to help warm the product.
3. Rub on to guest's hand (palm down) and use the effleurage technique using both hands to glide up and down the arm and hand.
4. Take a warm damp towel and wrap around the hand and wrist area. Use the towel to gently wipe off the Butter Scrub off of hands and arms.
5. Take an ample amount of Butter Blend and place on your hand, rub your hands together to help warm the product. Apply on to the guest's hand (palm down) and using the effleurage technique using both hands to glide up and down the arm and hand.
6. On the last glide down the forearm glide all the way to the guest's hand and place your index fingers between the guest's ring as well as pinky finger and between their thumb and index finger to have the palm of their hand face you. Using your thumbs with the effleurage technique glide them back and forth in alternating half circles across the palm.
7. Gently turn hand over (palm up) massage using circular gently pressured all around the center of the hand. Proceed to the area between the thumb and index finger and massage gently in a circular motion with gentle pressure.
8. Proceed to massage up each finger using your index and middle finger using petrissage kneading while using a gentle twisting motion.
9. Gently transition the guest's hand (palm down) and use the effleurage technique using both hands to glide up from the hand up the forearm, then proceed downward applying your thumb between the muscles along the Radius and Ulna bones using a petrissage kneading motion down to just above the wrist. To finish massage, proceed down over wrist and hand, gently squeezing the hand slightly with both of your hands to the fingertips and release.
10. Repeat on other hand.
